### Information

This document applies to students beginning their accountancy studies in 2014. The information contained in this document will assist you in planning your tertiary program, to meet Chartered Accountants ANZ's academic requirements for admission to the following designations:

- Chartered Accountants (CA)
- Associate Chartered Accountants (ACA)

If you commenced your accounting studies prior to 2014 please refer to our [website](#) to download the ATC List for the year you commenced your studies. If you are unable to locate this please email [assessment@charteredaccountantsanz.com](mailto:assessment@charteredaccountantsanz.com).

### ACA / CA Provisional Membership

The academic requirements for becoming a Chartered Accountant or Associate Chartered Accountant are the same. Students intending to become Chartered Accountants or Associate Chartered Accountants must complete the following academic requirements:

1. Completion of a New Zealand or Australian bachelor's degree or a qualification that is assessed as comparable
2. Required competence areas. Students must complete specific subjects to cover the competence areas.

### IMPORTANT NOTES

#### Commercial and Corporate Law

To satisfy the Commercial and Corporate Law topic in full, students must complete the specific subjects outlined in this Accredited Tertiary Course List (ATC). If the Commercial and Corporate Law competence area has been partially completed at another tertiary students will need to approach their new tertiary to discuss the possibility of obtaining specified cross credits towards the required subjects. If the tertiary is not able to award cross credits the student will need to complete the relevant subject's outlined in this document to satisfy the Commercial and Corporate Law competence area in full.

#### MPA/MPAF/MPAcct Graduates

If you have completed and been granted one of Chartered Accountants ANZ's approved MPA/ MPAF/ MPAcct qualifications including all the approved subjects outlined for this course at a Chartered Accountants Australia and New Zealand approved tertiary, you will not be required to provide evidence of a Bachelor's degree when applying for Provisional Membership.

#### Prerequisites

There may be pre-requisite requirements for the subjects listed in the Accredited Tertiary Course List. You should contact your University to determine any pre-requisite requirements for the subjects listed.

This document is not a publication of the University and therefore does not include the regulations or requirements for programmes or subjects. If you require advice about specific papers offered by your University, please contact the University directly.

**Please note:** Where a competence area has been incorporated into the course there will not be a specified subject listed. This will be shown as "Integrated" on the schedule and the competence area will only be awarded to candidates who have completed all other listed subjects from that programme.
