## **CHARTERED ACCOUNTANT**

Chartered Accountants are bound by a strict code of ethics and invest time in ongoing education to maintain the highest professional standards for their clients. They are supported by their professional body – Chartered Accountants Australia and New Zealand – who ensure that Chartered Accountants are able to access information, advice and professional development and adhere to best professional practice.

**Your Chartered Accountant is part of an internationally recognised network of 117,000 professionals who use their skills to help businesses like yours build successful and sustainable futures.**
