- (a) When the Professional Conduct Committee, Disciplinary Tribunal or Appeals Tribunal determines that it is appropriate to sanction a Member, in deciding what sanction(s) to impose and without limiting the matters it may consider, it may consider the following matters:

 - (iii) the Member's responsibility and accountability for the conduct in the context of that Member's Practice Entity, including without limitation:
 - A. whether the conduct was systemic;
 - B. whether the Practice Entity's leadership were aware of or complicit in the conduct;
 - C. whether it forms part of a pattern of conduct; and

- D. the Member's role, position and seniority in the Practice Entity;
 - (iv) whether the Member has failed to comply with any undertaking or agreement to remedy the conduct;
 - (v) any aggravating or mitigating factors raised which are relevant to the conduct in question;
 - (vi) the personal circumstances of the Member to the extent they are raised and relevant to the conduct;
 - (vii) any character and/or other references provided in writing in support of the good standing of the Member;

8.12 Costs awards (By-Law 40(13.7))

When the Professional Conduct Committee, Disciplinary Tribunal or Appeals Tribunal determines whether or not to require a Member to pay Costs under Section 5 of the By-Laws, and the amount of such Costs a Member is required to pay, it must require the Member to pay all of the Costs claimed by CA ANZ unless it determines that, having regard to the following matters, it is appropriate that the Member be required to pay only part or none of the claimed Costs:

- (a) whether and to what extent the complaint against the Member is found to have merit and whether or not there is ultimately a finding in favour of the Member;
- (b) the substance or seriousness of the complaint;
- (c) the conduct of the Member in relation to the investigation and disciplinary process, including whether the Member was open, honest and timely in the Member's dealings with the Professional Conduct Committee, Disciplinary Tribunal or Appeals Tribunal in relation to the complaint and whether the Member complied with the provisions of Section 5 of the By-Laws and any applicable Regulations during the conduct of the disciplinary process;
- (d) the extent to which the final sanctions determined differ from those that the Professional Conduct Committee or Disciplinary Tribunal gave the Member the opportunity to agree by consent;
- (e) whether to do so is reasonable in the circumstances;
- (f) the amount of the Costs incurred by CA ANZ in the conduct of the investigation and proceedings;
- (g) whether and to what extent the Member has previously been required to pay Costs to CA ANZ in respect of the complaint, its investigation, hearing and determination; and
