1. About the EOFY Sale

1.1. How long does the EOFY Sale campaign go for?

The EOFY Sale will launch on Wednesday, 9 June 2021 at 12pm AEST and finish on Wednesday, 30 June 2021 at 12pm AEST.

1.2. Who is the EOFY Sale available to?

The EOFY Sale is being offered to our entire CA ANZ membership and to non-members in both Australia and New Zealand. It will be available to individual members/non-members and to organisations for group bookings with 6 or more registrants. If you have a group booking, please contact service@charteredaccountantsanz.com and they can help process your order.

1.3. Where will the products for the EOFY Sale be made available for sale?

The products will be available for purchase on our eStore and will feature custom campaign landing pages in [Australia](#) and [New Zealand](#). These campaign landing pages will go live on Wednesday, 9 June 2021 at 12pm AEST.

1.4. What products are included in the EOFY Sale?

There are over **380** online CPD products across Australia and New Zealand available as part of the EOFY Sale.

There are also **31** packages available in the EOFY Sale. Please refer to **item 4.1** for more information about the packages.

2. Discounts in the EOFY Sale

2.1. How will the EOFY Sale discount appear on the eStore?

The general EOFY Sale discount will appear after the member/non-member has added the product to their cart on the eStore. The price shown on the eStore is the full purchase price, and not the discounted price. It will be automatically applied in the cart, unless otherwise stated in Marketing Communication. Discount codes are not required.

However, where a member/non-member has been provided with a specific discount code by email, they will then need to enter that discount code at checkout in the designated box after adding the product to their cart for that particular discount to apply.

3. Fulfilment of online products

3.1. How will members/non-members receive their product links for CPD purchased in the sale?

Once a member/non-member registers for a product in our eStore (AU/NZ), within 2 hours, they will receive 2 separate emails:

- Email One: Confirmation email with their tax invoice attached
- Email Two: An email containing their product links along with supporting materials - example below:

4. Packages available in the EOFY Sale

4.1. What packages are available for sale during the EOFY Sale?

There are 31 packages available during the EOFY Sale ranging from technical topics, to professional skills and business focused topics across Australia and New Zealand. Included in the majority of each of the packages are complimentary products.

Please note that the EOFY Sale discounts apply to the total package price and will be applied when the member/non-member adds the package to their cart on the eStore.

4.2. How do members/non-members receive their online packages purchased in the sale?

Once a member or non-member registers for a product (paid or complimentary) in our eStore (AU/NZ), within 2 hours, they will be sent 2 separate emails:

- Email One: Confirmation Email with their tax invoice attached to the email
- Email Two: An email containing their product links along with supporting materials.

NB: these emails may end up in the member/non-member's Junk/Spam folder. Please check this before getting in touch with the Member Support Team at service@charteredaccountantsanz.com

5. Consuming online content

5.1. How long do members/non-members have to view the online content?

To get the most out of recorded CPD content, webinars and eLearning courses purchased, we encourage members/non-members to consume the content within six months from the date of purchase. This ensures that the content is relevant and as current as possible.

5.2. Do members/non-members need to log their own CPD hours for online content?

Regulation CR7 in The Members Handbook requires members to maintain a log of continuing professional development (CPD). While members can use their own log, CA ANZ have made it easy to keep track using the My CA CPD Log.

The log tracks your CPD hours when you purchase a CPD product from the CA ANZ store. The CPD hours will appear in real-time in the My CA CPD log where members get a quick overview of how they are progressing against specific CPD requirements. Once the member completes the training, they simply 'confirm' the new education record in their My CA Log and the CPD hours are added to their CPD wheel.

Please note that CPD obtained through the following ways are not tracked in the My CA CPD log and will need to be manually entered into the My CA Log by the member:

- Public Practice Program
- LinkedIn Learning
- Learning Partner products

6. Help and support

6.1. Who do I contact if I have any questions or need help?

Please contact the Member Support Team at service@charteredaccountantsanz.com if you need any help or have questions regarding the EOFY Sale.
