Dear Sir/Madam

Improving Corporations and Financial Services Law

Chartered Accountants Australia and New Zealand (CA ANZ) welcomes the opportunity to provide comments on the Exposure Draft *Improving Corporations and Financial Services Law* consultation, presently underway at Treasury.

CA ANZ represent professional accountants globally. Our members work in diverse roles across public practice, commerce, industry, government and academia throughout Australia and internationally.

CA ANZ does not have any substantive issues regarding the Exposure Draft. We strongly support the government's efforts to simplify the law if it makes it easier to comply.

We look forward to working with the Treasury in the future.

Yours faithfully
