Application for Renewal of Auditor Licence

DO I NEED TO OBTAIN A LICENCE?

You will need a licence if you are either the engagement partner or the engagement quality control reviewer of an FMC audit.

DEFINITIONS

AUDIT WORK includes most work related to a specific engagement which commonly forms part of an audit engagement. This would include work related to accepting an engagement, audit testing, preparation of an opinion, researching/advising on technical issues arising in connection with an audit and engagement quality reviews. Time spent working within a firm's technical or quality division may be counted towards the hours requirements provided that it can be demonstrated that the hours concerned relate to FMC audits (or similar). It would not include training or administrative activities related to managing the firm's audit business.

FMC AUDITS (formerly issuer audit)

- a) Means the audit of
 - i) The financial statements or group financial statements of an FMC reporting entity that are prepared under the Financial Markets Conduct Act 2013; or
 - ii) The financial statements of a scheme or a fund prepared under section 461A of the Financial Markets Conduct Act 2013; or
 - iii) The financial statements referred to in section 461B of the Financial Markets Conduct Act 2013; and
- b) Includes any audit or review required to be carried out under the regulations made, or exemptions granted, under the Financial Markets Conduct Act 2013 or the Securities Act 1978 by a qualified auditor (within the meaning of either of those Acts); and
- c) Includes any audit of the financial statements or group financial statements prepared under the Financial Reporting Act 1993 in accordance with section 55 of the Financial Reporting Act 2013; and
- d) Includes any issuer audit (as defined in this Act before the commencement of this paragraph); but
- e) Does not include any audit carried out under the Public Audit Act 2001 (whether the Auditor-General or any other person is acting as the auditor).

It only includes New Zealand issuers and does not include overseas issuers who may issue securities.

It is important to note that Section 55 of the Financial Reporting Act 2013 include transitional provisions (for a period of 5 years from December 2013) that capture issuers defined under the Financial Reporting Act 1993 (refer to section 6 of the Auditor Regulation Act 2011).

FMC REPORTING ENTITY (formerly issuer)

- 1) Has the same meaning as in section 6(1) of the Financial Markets Conduct Act 2013 which is
 - a) Every person who is an issuer of a regulated product (but see section 452);
 - b) Every person who holds a licence under Part 6 (other than an independent trustee of a restricted scheme);
 - c) Every licensed supervisor;
 - d) Every listed issuer (but see section 351(1)(ab));
 - e) Every operator of a licensed market (other than a market licensed under section 317 (overseas-regulated markets));
 - f) Every recipient of money from a conduit issuer (see section 453);
 - g) Every registered bank;
 - h) Every licensed insurer;
 - i) Every credit union;
 - j) Every building society;
 - k) Every person that is an FMC reporting entity under clause 27A of Schedule 1.
- 2) Includes a person to which section 55 of the Financial Reporting Act 2013 applies; and
- 3) Includes any issuer (as defined in the Financial Reporting (Amendments to other Enactments) Act 2013 before the commencement of this paragraph)

SIMILAR AUDIT ENGAGEMENT means an audit or review of the financial statements of an entity:

- Which is of a comparable level of complexity to an FMC audit; and
- Which is of a type of audit engagement that could satisfy the definition of FMC audits in the Act if the entity was an FMC reporting entity; and
- Where the entity:
 - Prepares full New Zealand IFRS accounts; or
 - Is a large company which prepares accounts under the reduced disclosure regime; or
 - Is an overseas company which prepares accounts under full IFRS or an acceptable local equivalent (without any concessions in respect of measurement or disclosure); or
 - Is an overseas company which prepares accounts under a reduced disclosure regime approved by FMA and meets any threshold requirements FMA sets for companies relying on that reduced disclosure regime; or
- Where the entity is an overseas issuer.

OVERSEAS ISSUER means a company which is incorporated in an approved overseas jurisdiction; has issued securities to the public in its place of incorporation pursuant to a regulated offer of securities; is subject to financial reporting requirements in its place of incorporation which are comparable to those required of an FMC reporting entity under the Financial Reporting Act 2013; and is not an FMC reporting entity for the purposes of the Financial Reporting Act 2013.

LICENSING PROCESS

If NZICA considers your application meets the licensing requirements, then NZICA will authorise the Registrar of Companies to record your licence on the register of licensed auditors and registered audit firms.

NOTE 1 – PERSONAL INFORMATION

Please provide all current information requested. If your application is approved we will provide this information to the Companies Office for inclusion on the public register.

NOTE 2 – FIT AND PROPER PERSON

NZICA can only issue you with a licence if you are a fit and proper person to hold a licence.

Please complete Form *AL 100 – Fit and Proper Person* and attach it to your application. The form can be found at www.charteredaccountantsanz.com

Please consider if any of the matters set out in Appendix 1 of form *AL100* apply to you. If any such matter applies then you must provide full details to NZICA of the event, your conduct in relation to the event, any findings made in relation to the event, and any penalty or sanction imposed. NZICA will then consider the circumstances of the matter and your overall history and determine if you are fit and proper.

NZICA considers the first five matters set out in Appendix 1 (dishonesty, offences against financial markets legislation and banned from acting as a director) to be the most serious. For other matters, the severity may depend on how recently the event occurred, the type of conduct or behaviour exhibited, and any mitigating circumstances surrounding the event.

Please consider whether any other matter exists that could impact on whether or not you are fit and proper and if such matter does exist, disclose it to NZICA.

NOTE 3 – AUDIT EXPERIENCE

In the time period you have held your licence, NZICA must be satisfied you have undertaken sufficient audit work to maintain adequate knowledge and expertise. You will need to complete form *AL 101 – Practical Audit Experience* to provide us with details of your audit experience during the licence period. NZICA's expectation is that a substantial proportion of the applicant's time will be spent on audit and related work. If you have only worked part-time or your work has been divided between audit and work in other accountancy disciplines, NZICA may require you to complete additional hours before we would issue a renewal of licence. Each application is considered on its own merit.

NOTE 4 – IES 8 LEARNING PLAN

Please provide a copy of your most recent IES 8 Learning Plan. NZICA requires all renewal applicants to provide a copy of their IES 8 Learning Plan as evidence of compliance with the ongoing competence (CPD) requirements.

If the learning plan is not considered to be appropriate, NZICA will allow a reasonable time for the plan to be amended. However, NZICA will not issue a new auditor licence until satisfied that you are compliant.
